In re Patent No. **6,907,843**
Issue Date: June 21, 2005
Application No. 10/718,791
Filed: June 28, 2000
Attorney Docket No. **8553/212B**

NOTICE UNDER 37 CFR 1.28(C)

This is a notice regarding your request for acceptance of a fee deficiency submission under 37 CFR 1.28. On September 1, 1998, the Court of Appeals for the Federal Circuit held that 37 CFR 1.28(c) is the sole provision governing the time for correction of the erroneous payment of the issue fee as a small entity. See DH Technology v. Synergystex International, Inc. 154 F.3d 1333, 47 USPQ2d 1865 (Fed. Cir. Sept. 1, 1998).

The Office no longer investigates or rejects original or reissue applications under 37 CFR 1.56. **1098 Off. Gaz. Pat. Office 502 (January 3, 1989)**. Therefore, nothing in this Notice is intended to imply that an investigation was done.

Your fee deficiency submission under 37 CFR 1.28 is hereby **DISMISSED**.

There is no indication that the petition is signed by a registered patent attorney or patent agent of record.

An unsigned paper or one not properly signed by a person having authority to prosecute the application is not entered. This applies, for instance, where a petition (or other paper) is signed by only one of two applicants and the one signing has not been given a power of attorney by the other application.

Therefore, as the petition is not signed by all the inventors and the record herein fails to disclose that (person signing petition) was ever given a power of attorney to act on behalf of the inventor, **or that he is an assignee of the entire interest and has complied with the provisions of 37 CFR 3.73(b)**¹, the petition can not be considered at this time.

¹ 37 CFR 3.73(b) provides that: (1) when an assignee seeks to take action in a matter before the Office, the assignee must establish its ownership of the property to the satisfaction of the Commissioner; (2) ownership is established by submitting to the Office, in the Office file related to the matter in which action is sought to be taken, documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment submitted for recording) or by specifying (e.g., reel and frame number) where such evidence is recorded in the Office; (3)

Further correspondence with respect to this matter should be addressed as follows:
